

Update on performance optimization working group

https://docs.einsteintoolkit.org/et-docs/Working_Group_on_Performance_Optimization

- **Roland Haas** (presenter), Erik Schnetter, Zach Etienne, Ian Hinder, Helvi Vitek, Eric West

Current status

- Eric West and Deborah Ferguson started testing during ET workshop at ATL
- not much progress since last report

Milestones

Almost late:

-

Late:

- decide on deadline to import changes to ET master
- pull request for Carpet/rhaas/openmp-task
- decide which changes from Carpet/eschnett/funhpc to pull to master, due 2018-04
